WILDLIFE TRIAGE COURSE

DECEMBER 8TH, 2018

MVMA ACCREDITED FOR 4.5 CE HOURS

Does your small animal practice frequently get wildlife calls or admissions?

Would you like to learn the most up to date stabilization, handling, and transport skills to help these animals before they are transferred?

Are you thinking about establishing a relationship with a wildlife hospital and or licensed rehabilitator?

If so, this is the course for you!

Course Fee : \$200 per person

Email priya.patel@newwildlife.org to reserve your spot!
